Dear Prof. Jay T. Lennon:

Your USDA Veterinary Permit 134606 to import and/or transport controlled materials, organisms and vectors accompanies this cover letter.

Your USDA Veterinary Permit to import and/or transport controlled materials, organisms, or vectors accompanies this cover letter.

**Review this permit carefully, as the statements and language may have changed to reflect the requirements of newly published regulations.**

Please note the following:

- Review the import permit for errors. Should you identify any errors, please contact our office immediately
- A copy of the permit must accompany every shipment.

Do Not send the permit back to this office.

USDA Veterinary Permits no longer require a signature. Use of the permit for importation of the described commodity(ies) is acknowledgement that the permittee is legally responsible for complying with the permit conditions.
